 United States District Court  
 District of New Jersey

**Re: Designs for Health, Inc. v. Ralph Moorehead, et al.**  
**Civil Action No.: 3:16-cv-06040-BRM-DEA**

Dear Judge Arpert:

We are scheduled for an in-person conference on April 16, 2018. I writing to request an adjournment of a week or so since I will be out of the country the week of April 16 and will be back in the office on April 23, 2018. I have taken defendant Ralph Moorehead's deposition and am now in a position to enter into a stipulation of settlement with him.

I do not know, however, if we will complete what we need to do prior to my leaving. Because of the timing, I am requesting the short adjournment of the in-person conference. Should the conference be necessary, it would be more productive and make more sense for me to attend rather than send another lawyer from my firm who is not versed in this matter.

Thank you for your courtesies.

Respectfully yours,  
  
 Cheryl H. Burstein
